ADMISSIONS

If the number of applications received exceeds the places available, allocations are made in order of the admission criteria detailed in this policy.

Highfields School has a published admission number (PAN) of 252 for entry to Year 7; however, the Trust Board has agreed to admit, over PAN, 280 students for September 2022.

How parents can apply for their child(ren) to be admitted to Highfields School.

Year 7 Admissions

The admissions arrangements outline in this section apply to children starting Year 7 for the first time in 2022/2023. The City of Wolverhampton Council will co-ordinate Admissions on behalf of Highfields Governing Body. The closing date for admissions will be **31 October 2021**. Allocations results will be notified on **1 March 2022**.

All applicants must:

1. Complete the Online Application Form via www.wolverhampton.gov.uk/admissions

In-Year Admissions

An In-year admission is any entry to school other than at the normal point in Year 7, for example, transferring school due to a move of house or personal reasons. Requests for places in Year 7 after the normal round of admissions or request for places in other year groups should be made directly to City of Wolverhampton Council.

With the exception of a child with an Education, Health and Care Plan (EHCP) or Statement of Special Educational Needs (SEND), all applications must be considered under the City of Wolverhampton Council's co-ordination of admissions.

Applications should be made via the in-year transfer form, available from the City of Wolverhampton Council at www.wolverhampton.gov.uk/admissions

Admission Criteria for Highfields School for Year 7 and In-year admissions

A child with an Educational Health and Care Plan (EHCP) or Statement of Special Educational Needs (SEND) which names the school will be admitted.

In the event the school is oversubscribed, places will be allocated following the oversubscription criteria below, in order of priority.

1. Children and young People in Care and all previously Looked After Children

A 'Looked After Child' is a child who is in (a) in the care of the local authority, or (b) being provided with accommodation by a local authority in the exercise of the social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time the application is made to school. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order);

2. **Medical/Social**

Whether there are specific medical or social circumstances that that can be met only by the child's attendance at the preferred school

Supporting Evidence

If parents believe there are specific reasons, medical or social, for claiming priority for their child to attend a particular school these special factors must be indicated on the form and evidence (e.g. a letter from a registered health professional such as a doctor or a social worker) to support this claim must be submitted with the common application form. The information submitted must state clearly the effects of the condition/illness and why the preferred school is the **only** school that can meet their child's needs. This is necessary because parents would be asking the Authority to assess their child as having a stronger case than many other children, even some who live closer to the school in question than they do. The information provided will be used to prioritise the request for a particular school. Please note that only in exceptional cases are places prioritised in respect of a child's/parent's medical/social grounds.

3. **Children with a sibling already attending the school at the time of admission.**

For admission purposes, a sibling is a child who resides permanently at the same address as the child for whom a place is being requested, and is one of the following:

- brother/sister
- half-brother/sister (i.e. share one common parent)
- or stepbrother/sister (i.e. related by a parent's marriage)
- any other child for whom it can be demonstrated that s/he is residing permanently at the same address (e.g. under the terms of a residence order).

The sibling connection only applies where the child concerned has a sibling attending the school at the time of the application as well as at the time of admission, (i.e. for normal year of entry applications siblings are expected to be attending the same school in September 2020). A sibling connection will not be accepted if the original place was obtained by using fraudulent or false information.

4. **Children whose parent/carer is a member of staff employed at the school** for two or more years at the point at which the application for admission to the school is made or where the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

5. **Children who live closest to Highfields School**

The distance from the applicant's home and school is taken in a straight line between Highfields School and the child's home address. The distance is measured using the Local Authority's software, with those living closest to the school receiving the highest priority.

If there are a limited number of spaces available and we cannot distinguish between applicants using the above criteria, children who live in the same block of flats will be offered the available spaces randomly selected by drawing lots.

Home Address

Parents are asked to provide their child's home address, i.e. the usual place of residence on weekdays and nights. Please note that childminder's addresses will not be accepted. This applies to both formal childminders and relatives and friends acting in a childminding capacity. The home address of a pupil is considered to be the permanent residence of a child in a residential property when the place is offered. The address must be the child's only or main residence and is either:

- Owned by the child's parent(s), carer(s) or guardian(s)
- Leased to or rented by the child's parent(s), carer(s) or guardian(s) under lease or written rental agreement.

Documentary evidence of ownership or rental agreement may be required together with proof of actual permanent residence at the property concerned.

Where parents have shared responsibility for the child and the child lives with both parents for part of the week then the main residence will be determined as the address where the child lives for the majority of the school week. If the child equally shares living with both parents, the parents must inform the Local Authority which address should be used for admission purposes and which parent will make the application. Parents will be requested to supply documentary evidence to support the address used for the application.

Tie Breaker

If there are an insufficient number of places to accommodate all the children of a particular criterion, the next criterion will be used to assess the applications concerned in order to prioritise applications.

Admission Appeals

In the event that an applicant is denied a place at the school, the parents/carers will have the right to appeal to an Independent appeal panel. Information relating to this can be found at www.wolverhampton.gov.uk/admissions

Withdrawing Offer Places

Any allegations received by the admission authority of people providing false accommodation addresses when applying for school places shall be fully investigated and, if found to be true, allocated places may be withdrawn, as appropriate. A child's home address is defined as the address at which a child normally resides or, where the child lives at more than one address, the address at which the child lives for the majority of the time. Where the home address is unclear parents will be required to provide documentary proof of the child's residence.

Multiple Births

We understand that parents/carers would like to keep twins, triplets and other children of multiple births together. In the event that there is an insufficient number of places to allocate to twins, triplets, etc. all children will be allocated together.

Waiting Lists

If a place cannot be offered at the time of application, the child's name will be placed on a waiting list at the parent's request. Those on the waiting list and late applicants will be treated equally and placed on the same waiting list. Waiting lists will be held in order of the published admission criteria.

Waiting lists will be maintained until 31 December 2022.

Data Protection

All information supplied will be processed and held by City of Wolverhampton Council. Information may be shared with other admission authorities and Government Departments where there is a Legal Requirement to do so.
