Dear Parent/Carer

Re: Highfields School Careers Fair

Highfields will be hosting its annual Careers Fair on Wednesday 31 January, 5.30-8pm. This is an exciting opportunity for students and parents and carers to meet with a wide variety of local and national employers, colleges, apprenticeship and training providers and universities.

This year's Careers Fair looks to be the biggest ever, with around 60 exhibitors. The evening will support students to fully explore the pathways and choices available to them at both post-16 and post-18. A list of all the exhibitors taking part is available on the school website which can be accessed [here](#), and I will send out a reminder nearer the time.

Parents and carers are very welcome to attend, and I would appreciate it if you could encourage your child to take part. The Careers Fair is open to student, parents and carers from all year groups.

If you have any questions regarding the Highfields Careers Fair, do contact me at school. If you own a business or work for a company and would like to take part, please get in touch.

Kind regards

Mr P Rose
