February 2024

Dear Parent/Carer

Sixth Form Progress Reviews

Your child's most recent Progress Review of the 2023/2024 academic year is now available for you to view via the My Child At School (MCAS) app. In addition to the usual information, this review also contains the results from our Year 13 school examinations which were completed at the end of January.

Please take this opportunity to discuss your child's progress with them and encourage them to reflect on their performance as we enter the build up to the final examinations. The work done in the coming months will have a significant impact on the outcomes that students achieve and so it is vital that they are doing everything they can to maximise their chances of success.

Should you wish to discuss any issues arising from this review with staff in school, please contact sixthformstaff@hswv.co.uk in the first instance. A member of the team will be able to address general concerns or forward more specific issues to the relevant teaching staff.

Yours sincerely

Mr S France
Deputy Headteacher – Acting Head of Sixth Form
