23 April 2024

Dear Parent/Carer

Your child's final progress review before this summer's public examinations can now be accessed using the 'My Child At School' app. As always, I would encourage you to discuss the grades with your child and encourage them to reflect on their performance in recent weeks.

The start of the exam window is now just over three weeks away. A copy of your child's exam timetable can be viewed using the 'My Child At School' app, and students can view this same information using the student portal. Please ensure your child has checked this carefully so they know when their exams are taking place.

It is vital that students use the time remaining until the exams effectively to give themselves the best possible chance of being successful. Hopefully, you have already seen the exams page on our website containing lots of information and advice on how you can support your child in the coming weeks, as well as links to all of our revision materials. The link to the exams page is [here](#). I would also ask that you refer to the letter sent on Monday 22nd April regarding the NEA assessments and general exam procedures, such as timings.

Should you wish to discuss any issues regarding this review or your child's progress in general, please do not hesitate to contact us at sixthformstaff@hswv.co.uk and a member of the team will get back to you.

Yours sincerely

MISS L SMITH
ASSISTANT HEADTEACHER / HEAD OF SIXTH FORM
